Gloria Estefan is a very famous singer. Her real name is Gloria Fajardo and she is from Cuba, where she was born in 1957. Two years later when she was only a child her entire family went to Miami. Gloria liked music very much and her parents bought her a guitar when she was seven years old. Her grandmother used to sing old songs from Cuba and Gloria learnt the songs from her too. She could sing well and she sang these songs. In 1990 she had a serious accident when she was on her way to New York. Estefan's vertebra broke, and her professional life stopped for one year.

She has got two children, Nayib and Emily Marie. She has studied psychology in Miami. She can speak two foreign languages and she must do a lot of exercise because of her accident.

She has a beautiful house in Miami and she wants to go back to Cuba some day. Gloria sings in English and in Spanish. In 1989 she released her most famous record in Spain "Mi Tierra" and she won a gold disc. She is very famous in the United States and in 1996, she sang at the opening ceremony of the Olympic Games in Atlanta. Five years ago, in an interview, she said that the most important things for her were her family and her songs.
